- Not maintaining proper levels of coolants, oils and/or other lubricants or proper cooling/water ratio as specified by the manufacturer in your owner's manual, supplement and/or guide and any conditions caused by not maintaining proper levels of coolants, oils and/or lubricants (for example: engine failure due to sludge or overheating).
- Contamination of fuels, fluids, coolants, oils or lubricants, including sludge, as well as rust, corrosion or other damage, and any conditions caused by contamination of fuels, fluids, coolants, oils and/or lubricants.
- Any alteration to your vehicle or any component thereof that does not meet the manufacturer's specifications.

In order for this coverage to apply you must do all of the following:

- In the event of a mechanical failure, you must take immediate action to protect the vehicle from further damage.
- You must have your vehicle serviced as recommended by the manufacturer as provided in the manufacturer's owner's manual, supplement and/or guide.

## Claims Procedure

In the event of a mechanical breakdown, the following procedures must be followed:

- Unless prior authorization is given, repairs or replacement of covered parts must be performed by a Bobby Rahal Auto Group dealership.
- If a breakdown occurs within the warranty period and customer is outside of a reasonable distance from a Bobby Rahal Auto Group dealership, customer must contact the Bobby Rahal dealership that the vehicle was purchased from immediately for the name and location of the nearest authorized repair facility. A prior authorization number will be assigned. This number is necessary to obtain reimbursement of payment of authorized repairs performed to the vehicle. Failure to obtain an authorization number may result in claim rejection.
- Noncompliance with the above requirements will invalidate your ability to submit a claim for repairs or reimbursement under this warranty.
- Bobby Rahal Automotive Group reserves the right to inspect any vehicle prior to authorization.
- It shall be your sole responsibility for repairs to be made to customer's satisfaction, in accordance with the provisions of this warranty.

## Towing Coverage

Bobby Rahal Automotive Group will cover towing within a 50 mile radius of a Bobby Rahal Auto Group authorized repair facility if towing is required due to failure of a covered component. Exceptions need prior authorization for reimbursement. Refer to claims procedure regarding authorization.

## Loaner Vehicles

If your vehicle requires towing due to failure of a covered component or requires three or more hours of mechanical repair, a loaner vehicle will be provided for the duration of the repair. See dealership for loaner vehicle policies, restrictions and exclusions.
