

Bobby Rahal Select Pre-Owned

6 Month or 6,000 Mile Limited Warranty

Date: _____ Stock #: _____ Year, Make, Model: _____ Miles: _____

Owner/Co-Owner: _____ VIN #: _____

Address: _____

City, State, Zip: _____ Phone: () _____

Engine (all internally lubricated components and...)

Balance shaft; camshaft; crankshaft; crankshaft pulley; cylinder heads; engine block; engine mounts; engine oil reservoir; engine oil reservoir pump; equipment drive shaft; exhaust manifolds; flexplate; flywheel; idler pulley; intake manifold; oil pan; oil pressure switch; oil pump; oil sending unit; pistons; seals and gaskets; supercharger; supercharger intercooler; tensioners; timing belt; timing chain; timing cover; timing gears; turbo intercooler; turbo wastegate; turbocharger; valve covers; water pump; rotary engine components including: apex seal; bearings; eccentric shaft; rotor.

Manual Transmission (all internally lubricated components and...)

Clutch master cylinder; clutch release cylinder; gears and shafts; hoses, lines and tubes; seals and gaskets; shift linkage and cables; transfer/transmission case; transmission mounts.

Automatic Transmission (all internally lubricated components and...)

Hoses, lines and tubes; seals and gaskets; shift linkage and cables; solenoids; torque converter; transfer/transmission case; transmission mounts; vacuum modulator.

Axle Assembly (all internally lubricated components and...)

4x4 actuators; axles and bearings; center support bearings; constant velocity joints and boots; drive axle housing; drive shaft; hubs; locking hubs; seals and gaskets; thrust washers; universal joints; viscous coupling.

Suspension (front and rear)

Bushings/bearings; control arm shafts; electronic suspension actuator/motor and compressor; radius arm; spindle; spindle support; steering knuckle; upper and lower ball joints; upper and lower control arms.

Steering (gear box internal components and...)

Bushings/bearings; center link; hoses, lines and tubes; idler arm; pitman arm; power steering pump; rack and pinion; seals and gaskets; steering column; steering column coupling; steering column shaft; steering dampener; steering gear box and pump housing; tie rod end.

Fuel System

Air flow meter; carburetor; diesel fuel injection pump; electric fuel pump; electronic fuel injection system; fuel injectors; fuel pressure regulator; fuel pump; fuel sending unit; fuel sensors; fuel tank; throttle body.

Cooling System

Cooling fan relay; cooling fan sensor; engine cooling fan motor; engine fan; engine fan clutch; engine fan motor; engine fan shroud; fan bracket subassembly; radiator; seals and gaskets.

Air Conditioning / Heating

Air conditioning lines and tubes; air conditioning pressure switches; air temperature control programmer; blower motor; blower motor resistor; compressor; compressor clutch assembly; compressor pulley; condenser; condenser fan and motor; evaporator; evaporator temperature sensor; expansion valve; heater control valve; heater core; idler pulley; pressure regulator assembly; receiver/dryer; seals and gaskets; schrader valve.

Braking System

Anti-lock braking/traction control actuator, pump and motor; brake booster; brake hoses, lines and tubes; disc brake calipers; load-sensing proportioning valve; master cylinder; parking brake cable; proportioning valve; seals and gaskets; wheel cylinders.

Hybrid Components

Hybrid vehicle generator assembly; hybrid vehicle motor assembly, hybrid vehicle transaxle assembly; transmission damper assembly; battery current sensor; battery electronic control unit/module; battery thermistor; blower assembly; blower cooling fan; blower motor control; circuit breaker sensor; combination meter; electric power steering ECU; engine control module; HV battery cooling system; hybrid vehicle electronic control unit/control module; inverter assembly with converter; meter ECU; parking switch; power source control ECU; shift control actuator; shift position sensor; skid control ECU; smart entry and smart start system; steering column; steering link assembly; stop light switch; transmission control ECU.

Electrical System

Alternator; automatic-off headlamp sensor, timer and switches; automatic shoulder belt motor and switches; automatic temperature control unit; blower motor; blower motor resistor; clutch starter interlock switch; convertible top motor; cruise control actuator/servo; cruise control sensors and switches; cruise control vacuum motor; defogger relay; distributor; engine cooling fan motor; headlamp washer; ignition coil; lamp failure indicator sensor; manually operated switches; power antenna motor and cable; power door lock actuator; power mirror defogger; power mirror motor; power seat motors; power sliding door motor; power window motor/regulator; retractable headlamp motor; starter motor; starter solenoid; sunroof motor; windshield washer pump; wiper motor.

Computers and Electronics

Anti-lock braking/traction control computers and sensors; automatic shoulder belt computer; cruise control computer; electronic ignition unit; electronically controlled transmission/transfer case computer and sensors; electronically modulated suspension computer; engine control computer; knock sensor; power mirror electronic control unit; power seat computer; progressive power steering computer; sunroof control computer and relay; tilt/telescoping steering computer; trip computer; vehicle security computers and sensor; wiper module.

Deductible: A \$100 deductible applies to each service visit (Initial): _____

Owner: _____ Co-Owner: _____

By signing here owner has read and understands terms and conditions for the coverage and agrees to these conditions with no exceptions.

Coverage Under This Agreement

Subject to the terms and conditions of this agreement, if a covered component mechanically fails, Bobby Rahal Automotive Group or other Bobby Rahal Auto Group authorized repair facility will repair or replace the failed component(s). Coverage under this agreement may not be determined by any verbal representations. The coverage provided by this agreement shall be secondary to any other valid repair agreement, manufacturer's warranty, limited warranty or insurance policy covering the vehicle. Coverage expires upon reaching the time or mileage of the coverage period. A \$100 deductible applies to each eligible repair visit.

Exclusions and Restrictions

This agreement covers repairs to covered components, which have mechanically failed. This agreement does not cover any breakdown, mechanical failure or expenses which are due to, result from, or are caused by any of the following:

- Failures caused by modifications or parts not authorized or supplied by the manufacturer or Bobby Rahal Automotive Group.
- Failure caused by a non-covered component.
- Any component which has not failed, but which a repair facility recommends or requires to be repaired, replaced or adjusted.
- Abuse or damage by collision, upset or falling objects, larceny or attempted larceny, theft or attempted theft, fire, explosion, or negligence.
- Lack of normal maintenance (for example: adjustments, alignment, tune-up, oil and filter change, etc.) and any conditions caused by lack of improper maintenance (for example: engine failure due to sludge or overheating).
- Not maintaining proper levels of coolants, oils and/or other lubricants or proper cooling/water ratio as specified by the manufacturer in your owner's manual, supplement and/or guide and any conditions caused by not maintaining proper levels of coolants, oils and/or lubricants (for example: engine failure due to sludge or overheating).
- Contamination of fuels, fluids, coolants, oils or lubricants, including sludge, as well as rust, corrosion or other damage, and any conditions caused by contamination of fuels, fluids, coolants, oils and/or lubricants.
- Any alteration to your vehicle or any component thereof that does not meet the manufacturer's specifications.
- Any use of your vehicle not recommended by the manufacturer in your owner's manual, supplement and/or guide.
- Acts of God, war, riot, insurrection, natural disasters including but not limited to: freezing, extreme heat, windstorms, rainstorms, nuclear contamination, lightning, dust storms, hailstorms, snow storms, ice storms, earthquakes or floods.
- Normal wear, including but not limited to, excessive oil consumption, loss of compression, or a gradual reduction in operating performance due to burned or leaking valve or worn piston rings.

Nor does coverage under this agreement apply if your vehicle:

- Has been used for plowing snow, competitive driving, racing, or towing a trailer whose weight exceeds the manufacturer's recommendations for your vehicle.
- Has been used for hire to public, or to transport people for hire.
- Has been used for municipal or professional emergency or police services.

This agreement does not cover the cost of normal maintenance recommended in your owner's manual, supplement and/or guide.

If any material information provided cannot be verified as accurate or is found to be deceptive, no coverage will apply under this agreement.

In order for this coverage to apply you must do all of the following:

- In the event of a mechanical failure, you must take immediate action to protect the vehicle from further damage.
- You must have your vehicle serviced as recommended by the manufacturer as provided in the manufacturer's owner's manual, supplement and/or guide.

Claims Procedure

In the event of a mechanical breakdown, the following procedures must be followed:

- Unless prior authorization is given, repairs or replacement of covered parts must be performed by a Bobby Rahal Auto Group dealership.
- If a breakdown occurs within the warranty period and customer is outside of a reasonable distance from a Bobby Rahal Auto Group dealership, customer must contact the Bobby Rahal dealership that the vehicle was purchased from immediately for the name and location of the nearest authorized repair facility. A prior authorization number will be assigned. This number is necessary to obtain reimbursement of payment of authorized repairs performed to the vehicle. Failure to obtain an authorization number may result in claim rejection.
- Noncompliance with the above requirements will invalidate your ability to submit a claim for repairs or reimbursement under this warranty.
- Bobby Rahal Automotive Group reserves the right to inspect any vehicle prior to authorization.
- It shall be your sole responsibility for repairs to be made to customer's satisfaction, in accordance with the provisions of this warranty.

Towing Coverage

Bobby Rahal Automotive Group will cover towing within a 50 mile radius of a Bobby Rahal Auto Group authorized repair facility if towing is required due to failure of a covered component. Exceptions need prior authorization for reimbursement. Refer to claims procedure regarding authorization.

Loaner Vehicles

If your vehicle requires towing due to failure of a covered component or requires three or more hours of mechanical repair, a loaner vehicle will be provided for the duration of the repair. See dealership for loaner vehicle policies, restrictions and exclusions.
